Insight into the Pandemic and its Impact on Addiction and Recovery

Open and free,
registration is
encouraged but not
required.

It has been a year since we first faced the challenges of this pandemic. Now, as we “spring” into a new season, we can reflect on how we have been affected and start healing.

Insight is happy to offer a free virtual event addressing how the pandemic has directly impacted relapse, treatment, and recovery. You will hear from two panelists who will share their personal and professional experience from this past year.

Thursday, March 18, 2021
Starts at 6:30pm

PANELISTS:

Meredith S; *person in long term recovery*
Sara Thomson, *Council of Southeast, PA*

Meeting ID - 854 8706 3799
Passcode - 444225
